Dear Parent/Carer

GDPR – General Data Protection Regulation

From the 25 May 2018, new regulations will be introduced which affect how our Trust manages people's data. This is called the General Data Protection Regulation. Compliance with the regulations will be an ongoing process and the Trust has appointed a Data Protection Officer (DPO) to advise and manage compliance with the regulations.

Full details of our Data Protection Officer can be found on the Trust and school websites should you have any questions.

We are presently reviewing our use of data and will be publishing policies, procedures and notices that are compliant with the new regulations. We will endeavour to keep you informed of any developments. For the time being, your child's data will be managed in the same manner in accordance with legal principles.

In the meantime I should like to thank you for your patience whilst we take the necessary steps stipulated in the new legislation and guidance with handling data.

Yours faithfully
