

Fort Pitt Grammar School

12 October 2017

Dear Parent / Carer

Modern Foreign Languages

The Modern Foreign Languages Department is very keen to make contact with parents who have language skills or qualifications which could enable us to provide additional support and enrichment activities for our students at Fort Pitt.

If you are a confident French, German or Spanish speaker and would like to participate on a voluntary basis we would be very interested to hear from you. Examples of the valuable contributions we are seeking are sessions helping students with conversational skills, running an enrichment activity providing pupils with a taster of the language you speak or delivering a talk to students about why languages are important and how they can enrich our lives.

If you feel you are able to help us, I would very much like to hear from you via the email address below.

Yours faithfully

A handwritten signature in blue ink, appearing to read "D Higbee". The signature is fluid and cursive, with the first letter 'D' being particularly large and stylized.

Mr D Higbee
Head of MFL
