Dear Parent / Carer

Road Safety Experience – Tuesday 13 March 2018

As part of British Science Week 2018, we are organising a trip to the Road Safety Experience Centre to see how road accidents are investigated and prevented. In addition to the obvious benefits of learning about road safety, students will participate in activities showing how science is applied in real life.

Entry to the centre is free of charge. Students attending the visit will be expected to be dropped off at the centre which is not far from Fort Pitt. The centre is located at the following address:

Kent & Medway Road Safety Experience, Marconi Way, Rochester, ME1 2XQ

Students will need to be in the centre's reception by 9:00 a.m. on Tuesday 13 March 2018 where they will meet up with the accompanying teachers. After completing the centre activities, the students and teachers will walk back to Fort Pitt (under two miles away) to arrive back at school by 2 p.m. Students are then expected to attend their last period and make their way home at the end of the school day in their usual way. Should you have any queries or suggestions regarding travel, please do not hesitate to contact me.

Full school uniform is to be worn and lockers are provided at the centre. This means that your daughter should bring a coat appropriate for the weather of the day. Your daughter will also require a packed lunch. If your daughter is entitled to free school meals please indicate on the reply slip if she requires a packed lunch on the day of the trip.

If you would like your daughter to take part in this visit please complete the reply slip and return it to me as soon as possible. There are only 50 places available for this visit; places will be offered on a first-come-first-served basis upon receipt of a completed and signed reply slip. Reply slips should be returned to me between 8:10 a.m. and 8:25 p.m., during morning break or during lunch break.

Yours faithfully
