12 December 2017

Dear Parent / Carer

Please put this important date on your New Year calendar!

Year 8 GCSE Information Evening 7 - 8 pm
Wednesday 17 January 2018 - For parents and students

As you know, your daughter will begin her Key Stage 4 GCSE courses in year 9 and we would like the opportunity to provide you with important information at the above evening.

Your daughter will continue studying all her Key Stage 3 subjects until the end of this academic year and will undertake school examinations, to assess her progress.

In Year 9 she will embark on her GCSE courses, all of which will be completed over three years. She will also follow courses in Personal Social Health and Economic education (PSHEE), including Citizenship and Careers, and of course Physical Education (PE).

At the meeting we suggest potential Key Stage 4 programmes to support each individual student and will give you a booklet which provides more detailed information about the options available. We will also attempt to clarify the rapidly changing nature of Higher Education which has implications for choices which your daughter will make for her GCSEs.

Please confirm your attendance via the following hyperlink no later than **Monday 8 January**.

I hope that you will feel able to make this meeting a priority in your busy schedules and I look forward to seeing you all in the New Year.

Parents Evening for **Year 8** will be on **Wednesday 7 February** when you will be able to have individual discussions with subject teachers about your daughters' options choices.

Yours sincerely
