

Fort Pitt Grammar School

19 June 2018

Dear Parent / Carer

Years 9 & 10 Mathematics

I am writing to you to let you know of a fantastic offer we have on the fx-gc50 Casio Calculators. These are a full colour display graphical calculator that will enhance the study of Mathematics for your daughter.

We would highly recommend this calculator if your daughter has any intention of studying Mathematics to A-Level. In addition, it also has various functions which are highly desirable for her GCSE Examinations. These calculators generally retail at around £100, but we have a short term offer in school, from Casio themselves whereby these can be purchased for £34.95.

These calculators are fully endorsed by the Edexcel examination board, and whilst we recommend their use, I must state that these are not essential for success at GCSE.

If you would like to order a calculator, please complete the reply slip and return this together with the payment placed in an envelope with your daughter's name, form and event written clearly on the outside. This should be given to the Main Office between 8.10 a.m. and 8.25 a.m. or during morning break by 2 July at the latest. Cheques should be payable to Fort Pitt Grammar School. Alternatively payments can be made to the school bank account, sort code: 08-92-99, account number: 65150432, reference: your daughter's name - Calculator. No cash payments will be accepted.

Yours faithfully

Mrs E Brownridge
Head of Mathematics
