

July 2019

Dear Parent/Carer

I am writing to inform you that from 1st September 2019 our Management Information System will be updated to a platform known as SIMs.

SIMs is the most commonly used Management Information System used by schools in the UK, and will provide us with a far more intuitive, accessible and manageable system for tracking data and attendance; whilst still providing parents and students with all relevant information. SIMs also provides a more streamlined and thorough overview of the school and its introduction will greatly benefit the whole school, from more effective tracking of progress, to ensuring that both our safeguarding and pastoral care remain outstanding.

Nearer the time of release, we will write with more information about how to access your child's information through SIMs.

The current system, E-portal, will be retired on Monday 12th August 2019. With this in mind, we would ask you to please download any documents from E-portal, such as your child's reports, that you would like to keep. Please do this before 12th August 2019. After this date the data will be archived and stored in line with GDPR guidelines. Whilst you may still request access to your daughter/son's data after this date, it will not be accessible online directly through the school's website.

For instructions on how to access and download documents relating to your child please follow the instructions below.

Yours faithfully

Mr D C Reader
Assistant Headteacher

Fort Pitt Grammar School is committed to safeguarding and expects all members of the school community and applicants to share this commitment.

Headteacher: Nicky Archer, BA (Hons), NPQH

📍 Fort Pitt Hill, Chatham, Kent, ME4 6TJ 📞 01634 842 359 📠 01634 817 386
